Daily Sync

A short daily check on progress toward the goal: walk the board, raise blockers, and plan the day together.

1 Our Goal

EVERY CONVERSATION POINTS HERE

We're working toward _____ Days left: _____

Sprint goal, iteration goal, or the outcome the team is focused on this week

2 Ground Rules

- [ ] 15 minutes, same time, same place
- [ ] For the team, not a status report
- [ ] Details go to the parking lot

3 Walk the Board

RIGHT TO LEFT · FINISH BEFORE YOU START

1. What's nearly done, and what's needed to finish it?
2. What's blocked or getting old? Who can help?
3. What will we finish today?
4. Only then: what should we start?

4 Questions to Ask

ABOUT THE WORK, NOT THE PEOPLE

For each item on the board

What's needed to finish this?
Is anything blocking it?
Who can help, today?
Is it older than our SLE?

The classic three questions

What did I do yesterday toward the goal?
What will I do today toward the goal?
Do I see anything in the way?

Useful, but easily becomes a status report.
The Scrum Guide no longer requires them.

AFTER THE SYNC

- Topics that need more than a minute
- Note who stays to discuss

7 Sync Health Check

ONCE A WEEK

- [ ] Finished within 15 minutes
- [ ] Talked about the goal, not just activity
- [ ] Oldest and blocked items discussed first
- [ ] Every blocker has an owner
- [ ] We know what we'll finish today
- [ ] Everyone could take part

If a check fails, we'll try: _____

"What will we finish today?"

"Who needs help, and who can give it?"
