LEGEND

- Yellow = Step
- Pink = Pain point
- Blue = Thought
- Green = Opportunity

1 Persona

BASED ON EVIDENCE, NOT GUESSES

Name: Sarah, 38

Role / context: two kids, works full-time

Tech comfort: high on her phone

Goals: the weekly shop done fast, nothing forgotten

Frustrations: rebuilding the same basket every week

In their words: "I shop on my phone at 10 p.m."

Evidence from: 12 interviews, order data

2 The Journey We're Mapping

Scenario or goal: doing the weekly shop on a Sunday evening

Starts when: she opens the app

Ends when: the order is delivered

JOB TO BE DONE

When... it's Sunday night and the cupboards are nearly empty

I want to... order our usual shop in a few minutes

so I can... get on with my evening

3 Journey Map

STAGES LEFT TO RIGHT · ONE ROW AT A TIME

	STAGE 1 — Open the app	STAGE 2 — Build the basket	STAGE 3 — Fix the gaps	STAGE 4 — Pay and choose a slot	STAGE 5 — Delivery
Doing — Steps they take	Opens it on her phone	Adds items one by one	Swaps out-of-stock items	Picks Tuesday's slot	Checks the bags
Thinking — Questions, doubts	"What did I buy last time?"	"Have I missed anything?"	"Is this swap OK?"	"Is Tuesday free?"	"Did they bring it all?"
Feeling — Highs and lows	+ / –				
Pain points — What goes wrong	Can't see the last order	40 minutes of scrolling	Swaps are a surprise	Slots fill up early	Missing milk: 2nd order
Opportunities — How we could help	Last-order card	One-tap reorder	Choose swaps in advance	Save a usual slot	"You usually buy" list

"What is this person really trying to get done?"

"Where in the journey do we lose them, and why?"
